Policy Statement

Policy statements and clinical policies are the official policies of the American College of Emergency Physicians and, as such, are not subject to the same peer review process as articles appearing in the journal. Policy statements and clinical policies of ACEP do not necessarily reflect the policies and beliefs of Annals of Emergency Medicine and its editors.

Resident Training for Practice in Nonurban/Underserved Areas

Revised June 2018
Reaffirmed April 2012 and October 2006
Originally approved by the ACEP Board of Directors
June 2000

The American College of Emergency Physicians (ACEP) endorses Medicare funding to train residents for practice in nonurban and underserved areas and encourages an RRC-EM pilot or demonstration project to train emergency medicine residents to practice in nonurban and underserved areas.

Approved June 2018
Revised June 2018
